**THE PERFECT PENCIL.**  
 OPTIMUM RESULTS ON  
 ANY SURFACE.

# PENCILS

FOR CONSTRUCTION PROFESSIONALS

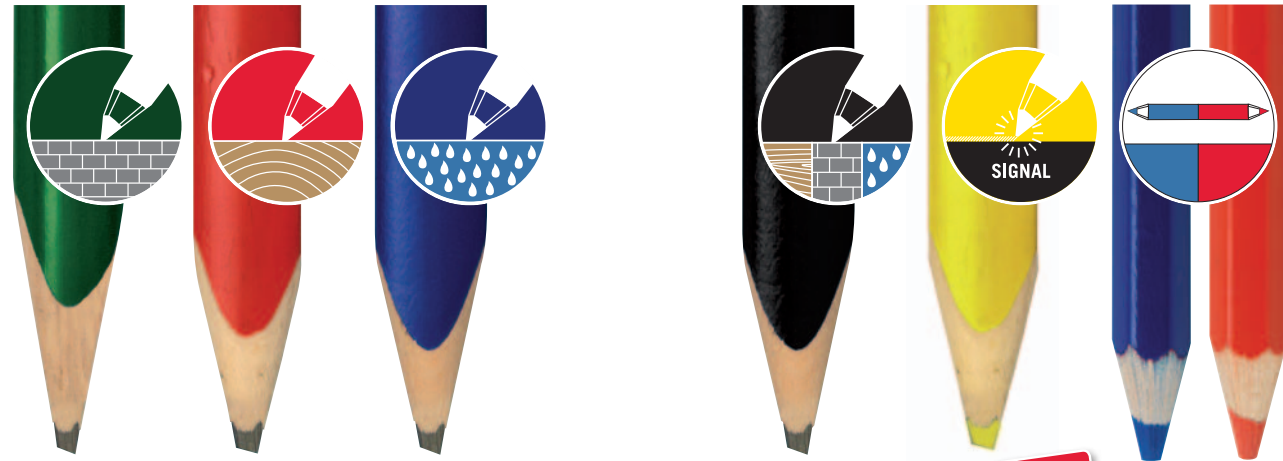

## SOLA PENCILS.

PRECISE. RELIABLE. ROBUST.

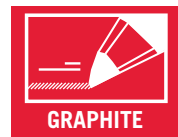

In the SOLA range, you will find the perfect pencil for any type of use. The different products are perfectly designed for marking on different surfaces.

SOLA knows from decades of experience and continued dialogue with professionals that pencils are used for the most different types of applications. With the right pencil, you will get perfect results even in wet conditions or on difficult surfaces. Thanks to their ruggedness, you can rely on our pencils day after day. Our pencils will do their job reliably so that you can do yours.

### High breaking strength

- › Robust thanks to elastic Limewood case
- › Easy to sharpen

### VISIBLE MARKING IN ANY SITUATION

- › High graphite portion for optimum writing performance
- › Tested lead mixing ratios for special surfaces
